

QUALITY AND FOOD SECURITY POLICY

One of the fundamental pillars of our business is the trust that consumers have in Evertis Iberica, our products and our services.

Our Policy is based on the following guiding principles:

Develop products oriented to the satisfaction of our customers and their consumers, valuing what they value and offering products that meet their needs and expectations.

Satisfy market expectations, always considering applicable norms and regulations.

Commit to good manufacturing practices in the production of our products, aiming for zero defects and zero waste.

Promote the commitment of the entire Evertis team and value their potential, obtaining from their part: assurance, involvement and responsibility, both personally and in relation to the objectives of the company, improving the relationship with the community, public agencies and other interested parties.

Improve on a continuous basis the efficiency of the Quality and Food Safety Management System.

Involve everyone, through the consciousness of all employees, in the importance of ensuring the food safety of products produced.
